

**Mrs. Monika Vedraj Jadhav**

**PhD Scholar, M. Sc. Anaesthesia & OT Technology**

Assistant Professor, Dr. D. Y. Patil School of Allied Health Sciences

Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University)

Sant Tukaram Nagar, Pimpri, Pune 411018

Mrs. Monika Vedraj Jadhav has experience in education and research in healthcare that thrive on collaboration and innovation. She is dedicated to fostering an environment where academia and industry intersect, ensuring that students and professionals are equipped with the knowledge and skills to address real-world healthcare challenges effectively. She serves as a Consortium Expert for curriculum development at ICAHP and Saveetha University. Additionally, she is a member of the scientific committee at SGPGIMS and JIPMER, a member of the Anaesthesia Association and STA, and contributes as a guest lecturer and examiner at various institutions.

As the Head of the Department at Malla Reddy University, she committed to shaping the future of health sciences through a dynamic blend of academic leadership, research, and clinical expertise.

**Expertise & Focus Areas:**

With a solid foundation in Anaesthesia Technology and Clinical Research, her primary focus lies in:

- ✓ Innovative Teaching Strategies – Integrating real-world medical scenarios into academic learning to enhance student comprehension and readiness for the healthcare sector.
- ✓ Interdisciplinary Collaboration – Partnering with healthcare professionals, industry leaders, and academic peers to drive research, innovation, and professional development.

**Academic & Teaching Experience:**

Prior to tenure at Malla Reddy University, Mrs. Monika served as a Teaching Assistant at SIHS Pune, where she honed her ability to translate complex clinical concepts into structured, digestible lessons. This experience has been instrumental in shaping her current pedagogical approach—ensuring that students not only grasp theoretical knowledge but also develop the practical skills essential for clinical excellence. She has also worked as an Anaesthesia technologist & OT Coordinator at Noble Hospital, Jehangir Hospital and Ratna Memorial Hospital, Pune.

**Leadership & Contributions:**

- ✓ Bridging Academia & Industry – Creating avenues for students and professionals to engage in applied research and hands-on learning experiences.
- ✓ Mentorship & Faculty Development – Nurturing a culture of continuous learning among faculty members and students to foster academic, research and professional growth.
