

Ms. Tanuja Deshmukh

D. Pharmacy, M.Sc. Microbiology, PGDCR, Ph.D. Scholar
IQAC In-Charge & Academic Coordinator
Dr. D. Y. Patil School of Allied Health Sciences
Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University)
Sant Tukaram Nagar, Pimpri, Pune – 411018

Ms. Tanuja Deshmukh is a dedicated clinical research professional with over a decade of experience in clinical trials, regulatory affairs, and allied health sciences education. With a strong academic background, she brings a robust combination of scientific knowledge and practical experience to the field. She is currently pursuing a Ph.D. in Clinical Research from Dr. D. Y. Patil Vidyapeeth, Pune, further deepening her expertise in clinical research and innovation in healthcare.

She has held key positions in both hospital and corporate research environments, including roles as Clinical Research Coordinator and Clinical Research Associate at renowned institutions such as Deenanath Mangeshkar Hospital, Kamalnayan Bajaj Hospital, and Regrow Biosciences Pvt. Ltd. Her work spans a wide range of clinical research activities — from early-phase to post-marketing surveillance (PMS) studies — with involvement in regulatory submissions to agencies like CDSCO, and coordination with CROs, statisticians, and regulatory consultants for clinical development and product commercialization.

She plays a pivotal role in academic planning, student mentoring, quality control, UGC & government bodies' compliances, report submission to them and curriculum implementation. In addition to her academic duties, she is actively involved as the Internal Quality Assurance Cell (IQAC) In-Charge, where she leads student-centric activities, ensures regulatory compliance with UGC guidelines, and contributes to the continuous quality improvement initiatives of the institution. Her responsibilities also include organizing student welfare programs, coordinating NAAC-related documentation, and facilitating interdepartmental collaboration for both academic and extracurricular events.

With strong communication and management skills, a solution-oriented mind-set, and a commitment to timely execution, Ms. Tanuja continues to contribute meaningfully to both healthcare research and academic excellence in the allied health sciences profession.
