Dr. D. Y. Patil Vidyapeeth, Pune (Deemed to be University)

Sant Tukaram Nagar, Pimpri, Pune 411018

Prabodhini Patil is a skilled Clinical Embryologist with more than five years of experience in assisted reproductive technology. She has played an active role in both academic teaching and practical embryology work. Prabodhini is dedicated to teaching and mentoring, providing clear, engaging, and effective instruction to a diverse group of learners.

With a strong foundation in reproductive science, Prabodhini Patil has contributed to the successful implementation of advanced embryological techniques in clinical settings. Her dual role as an educator and practitioner allows her to bridge the gap between theory and practice, mentoring the next generation of embryologists while ensuring high standards of care in fertility treatment.

Her clinical experience includes role as an Embryologist at reputed hospitals like Patted's Fertility and Research Centre Belgaum Karnataka, DPU IVF Pune, and Sahyadri Hospital Pune.

Prabodhini Patil dedicated to continuous learning and scientific advancement, she remains engaged in research and professional development within the rapidly evolving domain of reproductive medicine.
